Greetings in the Name of Christ.

My name is David d. Whitson, I received your address from Dark eyes a very close friend of mine, Dark eyes and I are incarcerated here at the Ventress Corr. Facility located in Barbour County Ala. I've been here at Ventress approximately 1 1/2 years and since my stay I have observed officers physically and verbally threatening and/or beating at less 2 to 3 prisoners per month which this Warden J.C. Giles, and his Administrative Staff ratify brutal ASSAULTS by their officers upon inmates.

Dark eyes, informed me that you may be of grateful support in helping him, I and others here with the injustice inside Corruption of these officers repeated brutal ASSAULTS upon prisoners here at this facility. I am a strong supporter against officers brutal injustice inside the State Correctional Facility due to the fact, I have been physically assaulted twice by officers within the past 18 years of my incarceration. Thank God I have NOT been written a falsified disciplinary report like so many other inmates here in order for officers involved to conspire together attempting to cover up their unprofessional misconduct actions.

Sherry, please find enclosed these very important documents that (Dark eyes) Al ██████; and I are mailing to you because this institution has a bad habit of mail tampering opening outgoing mail intercepting anything that can expose their misconduct actions. Please forward these important documents to Montgomery, the correct mailing address(es) are on the front top left hand cover.

Dark eyes, told me to inform you that he will be writing you as soon as he receive some stamp because he has some more very important papers to mail you.

Thank you for your time and assistance God bless you & your family.

* Please write back so we will know you received this letter.
