TO WHOM IT MAY CONCERN,

Regarding: Patrick Swiney.

Let it be known that I have investigated the case of Patrick Swiney in depth and to the best abilities I could not find a shred of evidence of his guilt. The primary cycle of my investigation was aimed at finding the evidence of his guilt and I could not find any, but there were many circumstances under which there arose possibilities of him being framed by individual(s) in power.

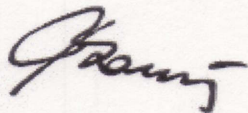

I find Patrick Swiney to be a gentle and compassionate person unable to hurt anybody. Patrick has much to offer to the society at large with his writing talent, inquisitive mind and a sense of humor, which keeps him alive under the most restrictive and brutal conditions.

If there is justice in the State of Alabama, Patrick Swiney should be released and reunited with his wife and family.

Please feel free to contact me for full "INVESTIGATIVE REPORT" on this tragic case or contact Mrs. Swiney.

Sincerely yours,

Dr. Boris S. de Korczak
