

Offer of Conditional Acceptance

I was called on the telephone by an unknown person on Monday, October 23, 2006. He stated that he was an FBI agent working at the American Embassy in Panama. He stated that he knows that I was aware that Wesley Snipes, Doug Rosile and I had been charged with Conspiracy to do something; I did not quite catch what it was.

He stated that he was calling to give me a chance to go back to the US voluntarily and stand trial. He said that if I did not take that option, he would come and arrest me and take me to the US forcibly.

He asked me to make a decision immediately. I told him that I could not do that, but I would be happy to meet him at my lawyer's office for a conference to understand what was happening. Instead of agreeing, he said "That's all I needed to hear. I'll be knocking on your door.", and he hung up.

Since all I have to go on here is just a phone call by an unknown person, I know of nothing else to do except to offer this Conditional Acceptance of the offer that was given to me over the phone.

My Offer: I will agree to voluntarily go to the USA to face whatever charges there may be after the following documents are given to me so that my counsel in Panama can verify that there is, indeed, a valid charge against me.

- 1) A copy of the Verified Complaint, and the affidavit that supports the Complaint, signed by the Complainant.
- 2) A copy of the Arrest Warrant and the affidavit that supports the Arrest Warrant.
- 3) A copy of the letter signed by the US Attorney General authorizing the Asst. US Attorney General to seek an Indictment against me.
- 4) A copy of the letter signed by the US Secretary of the Treasury authorizing the Asst. US Attorney to seek an Indictment against me.
- 5) A copy of the letter signed by the Under Secretary for Enforcement of the United States Treasury verifying that his office has investigated me and that the Asst. US Attorney should seek an Indictment against me.;
- 6) A copy of the documents that verify that the IRS is an Agency of the United States government.
- 7) A copy of the documents that verify the time, place and date that I was either Naturalized or Born a United States (i.e. Fourteenth Amendment) Citizen.

As soon as these documents are delivered to my counsel and have been verified as legally correct and in order, I will come to the Embassy and make arrangements to go to the USA to face the charges.
