COMMISSIONER

Ms. Robbie Carter
Post Office Box 156
Alabaster, Al 35007

Dear Ms. Carter:

I have received your letter concerning the manner in which your mother was treated when she visited Donaldson Correctional Facility on December 17, 2005.

I have contacted the officials at Donaldson concerning this incident. I have been advised that they too could not understand the reason why your mother was not allowed to visit. There was a misunderstanding concerning whether the clothing your mother had on was considered a jogging suit. The standard operating procedure at Donaldson prohibits the wearing of jogging suits. This procedure has been resolved and should not be a problem in the future.

I regret that this incident took place and hope that any future visits are pleasant and uneventful.

Sincerely,

Donal Campbell
Commissioner
